If that information is not accurate, we may reduce or deny a claim made by you or anyone else insured by this insurance, or cancel this insurance.

We never want to have to do that, so you must answer honestly, completely and correctly the questions we ask about you, your Finance Contract, the Motorcycle, your claim or any events that may result in a claim on your insurance.

We require you to be truthful, honest and accurate whenever we interact with you in relation to this insurance. You must inform us immediately if any of the following circumstances apply to you:

- There is a change in your personal details;
- There are changes to the Motorcycle or Motorcycle use; or
- You are no longer the registered owner of the Motorcycle.

The Premium for your insurance cover will be shown on the Policy Schedule. Some of the key factors that may influence your Premium include, where applicable:

If you make a claim which results in the termination of your insurance cover, we shall deduct the instalment payments for the remaining Period of Insurance from any claim amount we pay you.

OVERDUE INSTALMENTS

If you are paying the Premium by instalment payments and an instalment payment is overdue, we can do one or both of the following:

- Refuse to pay a claim if the instalment payment is 14 days (or more) overdue;
- Cancel your insurance cover if the instalment payment is 1 month (or more) overdue.

If we cancel your insurance cover because an instalment payment is unpaid, your insurance cover will end on the due date of the unpaid instalment payment.

If you are paying the Premium by instalment payments, please refer to the Direct Debit Request Service Agreement which sets out the terms and conditions applicable to your instalment payment arrangement.

IMPOSED EXCESS

An Imposed Excess may be applied based on the type of Motorcycle and/or the riding record and accident or insurance history of a rider of the Motorcycle, and will be shown on your Policy Schedule under the heading "Excess Details".

INTERNATIONAL LICENCE HOLDER EXCESS

An International Licence Holder Excess of \$2,000 will apply if the rider of the Motorcycle at the time of an accident is only authorised to ride on an International Licence.

UNLISTED RIDER EXCESS

An Unlisted Rider Excess will apply if the rider of the Motorcycle at the time of an accident is not listed on your insurance, and is based on the age and driving/riding history of the Unlisted Rider of the Motorcycle.

If the Unlisted Rider of the Motorcycle is:

- Under 25 years of age, the Unlisted Rider Excess will be the greater of:
 - The sum of any additional Premium applicable and Imposed Excess; or
 - \$2,500,
 or
- Aged 25 years or over, the Unlisted Rider Excess will be the sum of any additional Premium applicable and Imposed Excess.

Additional Premium or Imposed Excess will be determined in accordance with our current underwriting criteria at the time of the accident.

THEFT EXCESS

The theft Excess must be paid in the event that Your Motorcycle is stolen. The theft Excess is \$1,000 for road Motorcycles or 10% of the Market Value for off road Motorcycles.

The Theft Excess will not apply if Your Motorcycle is stolen from a securely locked building or was securely fastened with a locking device to an immovable object.

PAYING YOUR EXCESS

How you pay your Excess, if applicable, will depend on the type of claim.

Accident repair claims:

Any applicable Excess will be deducted from the cost of repairs to the Motorcycle and you pay the Excess to the repairer.

A Total Loss claim:

Excess will be deducted from the assessed Total Loss value of the Motorcycle. If we replace the Motorcycle following a Total Loss, you pay the Excess to the dealer when collecting the replacement motorcycle.

Legal Liability claims:

Irrespective of whether there is damage to your Motorcycle, if you have caused damage to another vehicle or property, you will need to pay us any applicable Excess before we make payment for the damage you have caused.

DETERMINING WHAT WE PAY AND OUR RIGHTS

MAXIMUM PAYMENT

We will not pay more than the Amount Covered as stated in the Policy Schedule.

GST

Where we make a payment under this insurance:

- For the acquisition of goods and services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you will be, or would have been, entitled to in relation to that acquisition, whether or not that acquisition is actually made; or
- As compensation, instead of payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you would will be, or would have been entitled to, had the payment been applied to acquire such goods, services or other supply.

REFUND OF REGISTRATION

We may deduct from your claim settlement the amount of any refund you receive from the registration and Compulsory Third Party (CTP) Insurance.

SALVAGE

In the event of a Total Loss, then the salvage of your Motorcycle will become our property; and we will retain the proceeds of any salvage sale.

Following a claim where we replace your Motorcycle Apparel or reimburse you for replacement Motorcycle Apparel, any salvage apparel will become our property, and we will retain any proceeds of any salvage sale.

SUBROGATION RIGHTS

We will be entitled to take over and conduct in your name and the name of any other person, the defence or settlement of any claim. We will also be entitled to prosecute to the extent of the law for our own benefit and in your name, a claim for any indemnity or damages. We shall further have full discretion in the conduct of these proceedings or in the settlement of any claim.

CLAIM RECOVERY

If you make a claim for an incident that we consider was not your fault, we reserve the right to action recovery of any payments made by us, and any such recovery action will be taken in your name.

REPLACEMENT PARTS

If any part necessary for repair of the Motorcycle is not available in Australia, then we will attempt to obtain a part consistent with the age or condition of the Motorcycle. If we are unable to obtain such a part, then we will pay the lesser of:

- The manufacturer's most recent Australian list price for that part;
- The list price of the closest equivalent part available in Australia; or
- The actual cost of having a new part made in Australia.

We will pay for the repair or replacement of a particular damaged item irrespective of whether it forms part of a set. For example, if one wheel rim is damaged and cannot be replaced because it is no longer available, we will only pay for one wheel rim and not a full set of wheel rims.
